RE: ⁰ AMERICA FIRST COMMITTEE
INTERNAL SECURITY - G

Dear Sir

The Chicago office recently received a letter from the Buffalo Field Division requesting advice as to the disposition of certain exhibits obtained during the course of the investigation conducted in instant case. These exhibits are at present retained in the file of the Buffalo office. They are set out in full in the report of Special Agent [REDACTED] dated January 22, 1943, at Buffalo, New York. 49
100-4712

From a review of this report it does not appear that the exhibits in question are of particular value in future legal action to this office, but it is believed possible that the Bureau may desire to retain them for information purposes, or for possible prosecutive action in this or related cases. 11

Therefore it is requested that the Bureau advise the Chicago and Buffalo Field Divisions as to the destruction or preservation of instant exhibits.

Very truly yours

Reference is made to your letter in the captioned matter dated March 25, 1944, wherein authority is requested for the destruction of certain exhibits being held by the Buffalo Field Division in its file on the America First Committee.

It is believed, however, that for the time being the photographic negatives of this material should be retained by the Buffalo Field Division for possible reference purposes.

Report of Special Agent **[REDACTED]** Philadelphia, Pennsylvania, on 7/25/42. b7c

Details:

[REDACTED] advised he is not aware of any activity being conducted by the America First Committee as such in the Philadelphia Field Division and that in his opinion any activity occurring among the former members of this group would come into being through the various Mothers groups operating in Philadelphia at the present time. b2
b7D

It was previously reported in an investigation concerning **GERALD LYMAN KENNETH SMITH**, with aliases, that a meeting was held in November, 1943 at the Bellevue-Stratford Hotel in Philadelphia, sponsored by the Blue Star Mothers of Pennsylvania. It is noted that at the meeting there were present **CHARLES WALLINGTON**, **JOHN ALISTER** and **IRENE THORN MURPHY**, all formerly active as America Firsters. At that time Mr. SMITH, referring to the Mothers group stated: "These women were donating their time and working hard for the cause of America First" It is noted that

Mr. SMITH was introduced as the outstanding America Firster in the Country and he made the following statements, among others already reported, during his remarks.

"I would to God there was no need for a third political party in these United States, but when you have a family perpetrating a dynasty out of the United States treasury, it is time we took drastic action"

"We America Firsters are the balance of power between the old parties. Neither party can win without us and we will give our vote to the GOP if they do not give us another fake like Wilkie. If they do, we will run a third party candidate"

"We have an organization in thirty-four States and are completing arrangements in the others. The ground work will be laid and if necessary we will have a separate party"

"The best America First speech made this year was delivered by the five Senators who visited sixty-four battle fields on their world tour"

"I tell you the aims of the America First Committee are to retire the Roosevelt dynasty"

"Any contributions which you want to make to further the work of America First you are requested to place in the envelope and seal it."

It is also noted that Mr. SMITH stated in a Press Release, issued to him at the time of this meeting in Philadelphia, as follows:

"A permanent America First Party Committee is being formed in Philadelphia.

1. We support the war effort 100%.
2. We oppose world government.
3. We fight political Fascism.
4. We fight New Deal Communism."

It is noted that in the announcement of the aforesaid meeting, Mr. SMITH was referred to as the Director of the America First Party.

The investigation being conducted in this office concerning the Mothers and Daughters of Pennsylvania revealed that Mrs. IRENE THORN MURPHY is the editor of the "News Letter", published by that organization, copies of which are constantly being secured by this office.

J. Edgar Hoover, Director
Federal Bureau of Investigation
Perry M. Oliver, Director of Administrative Services
Immigration and Naturalization Service

DATE: August 28, 1944

SUBJECT: AMERICA FIRST, INCORPORATED.

Reference is made to your memorandum of August 1, 1944, concerning our request for information on the above named organization. It will be appreciated if a complete file review is made on the AMERICA FIRST, INCORPORATED.

Records of the Foreign Agents Registration Section, War Division, reflect that the above styled group was organized in September 1934 by James True, Washington, D.C., publicist, who was later indicted for violation of the Smith Act in conspiring with others to undermine the morale of the armed forces. The Foreign Agents Registration Section advised that their records contained no information which might indicate that the AMERICA FIRST, INC., (the James True organization) had any relation with the AMERICA FIRST COMMITTEE although it is alleged that True, as an individual, worked with some individuals who were active in the AMERICA FIRST COMMITTEE.

AMERICA FIRST, INCORPORATED

EX-101

Reference is made to the communication of Mr. Perry M. Oliver, dated August 28, 1944, your reference 56211/156, requesting information concerning the captioned organization.

Another Governmental agency reported during 1936 that America First, Incorporated, National Press Building, Washington, D. C., "seems to be a clearing house for all anti-Semitic individuals and groups." 61-7559-2823

Additional information was received in 1937 from a Governmental agency representative in California in which a listing was made of "pro-Fascist and anti-Semitic groups." This list included America First, Incorporated, National Press Building, Washington, D. C., James True, President, and Michael Ahearn, Vice President. 61-7556-433

During the hearings before the Special Committee on un-American Activities, House of Representatives, on November 19, 1938, a representative of the Committee advised that considerable literature of an anti-Semitic character and also of a pro-Japanese character had been obtained and that this literature had been issued by America First, Incorporated, Washington, D. C., of which organization James True was the chairman, 61-7582, Vol. 3, p. 2342

During 1940 a confidential source advised that America First, Incorporated, was organized in August, 1934, and that the reason for its organization as stated in a "confidential statement issued by America First, Incorporated," was for the "protection of the Constitution, American industry, and individual enterprises through the dissemination of truth." This source reported that up until the winter of 1936 the organization issued Industrial Control Reports. The first few issues of these reports made no reference to Jews but later reports indicated that the organization was anti-Semitic.

There is attached hereto a photostatic copy of a "Confidential Statement" issued by the captioned organization. 61-7307-74

A confidential source has reported that on May 15, 1941, members of America First, Incorporated, the Mothers of Germany, and We, the Mothers, Mobilize for America, Incorporated, picketed a downtown hotel where Lord Halifax of Great Britain was staying. The picketing was allegedly in protest of the administration's policy of all-out aid to England. This allegedly occurred in Chicago. RECEIVED MAY 16 1941

During May of 1941 the American Council on Public Affairs sponsored a publication, "Organized Anti-Semitism in America" by Donald S. Strong. This book listed a group of organizations described as "quite definitely anti-Semitic," which list included America First, Incorporated, Washington, D. C., stated to have been founded in 1934 and to have become defunct in 1936. 61-7560-3-277
